

Appl. No. 09/835,007
Response Dated 06/15/2005
Reply to Office communication of 05/16/ 2005

REMARKS/ARGUMENTS

Specification Objection

The abstract is objected to because the legal phraseology "said" is used on multiple occasions. Annex contains the replacement abstract.

The applicants have amended the abstract in order to overcome the objection. Furthermore, the applicants have amended the "**CROSS-REFERENCE TO RELATED APPLICATIONS**" section in the specification to provide US patent numbers for patents issued from the patent applications cited therein. No new matter has been added through these amendments to the specification. Approval of the specification amendments is requested.

Favorable consideration of the response is requested.

Respectfully submitted.
